1. [REDACTED] LIAISON Accompanied the Director and [REDACTED] D/DCI/Resource Management, to a meeting with Ralph Preston and Charles Snodgrass, House Appropriations Defense Subcommittee staff. Both were supportive of the Director's FY 1978 reprogramming and FY 1979 budget amendment for NITC and Resource Management. Preston strongly urged that the sources of funds and people, in detail, accompany the proposal and urged that this be done before the conclusion of the FY 1979 mark-up in late April.

✓ 2. [REDACTED] LIAISON Accompanied the Director and [REDACTED] D/DCI/Resource Management, to a meeting with Representative Bill Burlison (D., Mo.). Mr. Burlison felt that the House Permanent Select Committee on Intelligence would not have any problem with the FY 1978 reprogramming but thought that it had to be considered in connection with the Committee mark-up of the FY 1979 budget which is going to occur in late March or early April.

The Director explained the reasons why it was important that we not be forced to rely solely upon one launch facility for a sensitive project referencing concern that had been registered on the Hill. Mr. Burlison was aware of the issue and seemed to feel that Chairman Edward Boland (D., Mass.) would understand the need and he is Chairman of the House Appropriations Subcommittee on HUD - Independent Agencies before which this issue had been raised.

3. [REDACTED] LIAISON Col. Steve Harrick, Legislative Affairs, OSD, called to see whether RADM Edward F. Welch, Joint Chiefs of Staff, could sit in on the Agency's portion of testimony before the House Armed Services Committee hearing this afternoon. After consulting with [REDACTED], OLC, and [REDACTED] NFAC/CSS, I called Col. Harrick and told him that because of the prior arrangements we had made with the Committee, we would much prefer to brief with only Agency personnel present. Col. Harrick accepted this and said he would pass the word.

17. [REDACTED] BRIEFING Accompanied [REDACTED] NFAC/ORPA, and [REDACTED] NFAC/CSS, to the office of Representative Charles Wilson (D., Texas) to brief the Congressman and House Armed Services Committee staffer, Ed Powers, on Liberia, Kenya, Rhodesia and South Africa. The briefing lasted from 4:10 p.m. - 4:45 p.m. and was conducted in the Committee hearing room (H-218 of The Capitol). The briefing was conducted predominantly at an unclassified level. Two officers from the Department of State, Africa Bureau, sat in and participated in the briefing. Additionally, Noel Holems, on Mr. Wilson's personal staff, was brought into the briefing by the Congressman. Mr. Wilson seemed to be quite satisfied with the briefing and Mr. Powers is now fully aware of our caveats against conducting briefings jointly with policy-making departments of the U.S. Government.

18. [REDACTED] LIAISON Saw Loch Johnson, House Permanent Select Committee on Intelligence staff, and told him that the memorandum on the activities of the [REDACTED] (dated 18 October 1970) he had requested is currently under Department of Justice custody but that we were attempting to obtain Department of Justice's permission to release it to the Committee. ✓ 23. [REDACTED] THIRD AGENCY Called John Kenney and William Lynch, Criminal Division, Department of Justice, and discussed the Agency's appearance in executive session before the House Select Committee on Narcotics Abuse and Control on Monday morning, 20 March 1978, at 9:00 a.m. The hearing concerns alleged illicit narcotics activities of the World Finance Corporation. Lynch and Kenney recently testified on this matter before the Committee. I explained the thrust of our testimony and asked if this would present any problems in view of the Department's on-going investigations. Both replied negatively. Lynch noted that the Committee had pressed him as to whether FBI information on [REDACTED] a principal in the case, had been provided to CIA. He said he would have to check and would inform the Committee. I assured him that the Agency was not going to discuss FBI information at the hearing.

24. [REDACTED] LEGISLATION Called Bob Carlstrom, OMB, to explain that we had prepared a letter in response to a House Permanent Select Committee on Intelligence request to Mr. Jack Blake, DDA, regarding problems with the FOIA. I told Mr. Carlstrom the letter was almost identical to an earlier response we had submitted to Representative Samuel Devine (R., Ohio), and asked that we be able to forward it without first sending it to OMB. I told him we would send him an information copy. Mr. Carlstrom asked that we forward a copy of the letter before we send it to the Committee.

25. [REDACTED] LIAISON Chuck Snodgrass, House Appropriations Defense Subcommittee staff, called in connection with a substantive area briefing for Representative Charles Wilson (D., Texas) indicating that our briefers were reluctant to participate along with representatives from the Department of State. This was straightened out and the briefing proceeded with State present.

25X1

26. [REDACTED] LIAISON Spoke with Bob Blakey, Chief Counsel, House Select Committee on Assassinations, concerning our proposed letter which would be a general warrant of authorization for individuals subject to secrecy agreements to discuss with the Committee classified matters within the scope of the Committee's jurisdiction. I told Blakey that I could not and would not recommend language in our letter which would infer Agency belief that a secrecy agreement can be used to mislead or lie to a duly constituted authority. Blakey seems sympathetic to this point but we still have to reach suitable language to accommodate our mutual interests.

27. [REDACTED] LIAISON Bill Miller, Staff Director, Senate Select Committee on Intelligence, called concerning a request from Leonard Weiss, Staff Director, Senate Governmental Affairs Subcommittee on Energy, Nuclear Proliferation & Federal Services, for access to the [REDACTED] material in the possession of the Select Committee.
